Dear Marcus and JJ,

On behalf of New Zealand Career College, I would like to thank you for the excellent way you have represented our interests over the last ten years, as well as our previous security training school's interests.

I would like to especially mention how professionally you and your staff have handled our legal matters, particularly our commercial work, with such ease, efficiency and thoroughness.

The advice you have provided has always been right on the button and provided in a most timely fashion.

We trust our ongoing relationship will continue for many years to come.

We enjoyed the recent collaborative trip with the ANZ to the World Expo in Shanghai and respect Queen City Law's strategic approach to markets such as China.

We deeply respect the professional relationship we enjoy and will continue to refer our business, and for that matter, other businesses to Queen City Law, particularly when clients are looking for both a dynamic and smart approach to the law from an extremely client-centric law firm as well as a safe and reliable pair of hands.

Yours Sincerely

Feroz R Ali
